### Declaration of Intervenor Hamid Michael Hejazi

1. Hamid Michael Hejazi, author, declare that the following is true and complete to the best of my knowledge:

1. I am competent to give this declaration, I am over the age of 18 years old, and I seek intervenor status in this case, or any other status wherein this court can and will assist me, and so grant me federal relief; for the reasons that:

2. I am being criminally charged in the Eugene Municipal Court, in Eugene, Oregon, the Lane County Circuit Court having concurrent jurisdiction over the same charges; and, in my case, I was arraigned, pled not-guilty, and requested counsel's appointment at public expense, giving the Eugene Municipal Court a qualified affidavit of my financial eligibility for court appointed counsel, Hon. Judge Sabitt granting my request, saying that counsel would be appointed to me, each occurring on May 1, 2025; and, yet, since then I have been held at Lane County Adult Corrections at 101 West 5<sup>th</sup> Avenue, in Eugene, Oregon, without aid of counsel.

3. I three (3) times, by sent Inmate Kyles, since May 5, 2025, admonished the Eugene Municipal Court as to this court's seven (7) day pretrial

release order, as signed by the Hon. Judge McShane on November 2, 2023 - to no avail.

4. Daily I go without the aid of counsel and so miss out on opportunities for legal remediation of my situation; including the loss of defense evidence and witnesses.

5. I've never waived my right to indigent status public defender by any means before the Eugene Municipal Court, whatsoever.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on May 11, 2025
